

Averett University

Bachelor of Science in Business Administration: Management Science

STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Potential
Required Credit

Introduction to Writing and Research (ENG 111) [EN024B] 3.00

(A review of usage, punctuation, and paragraph development. Emphasis on effective written communication, especially in short (1-3 page) essays. Includes some critical study of prose fiction. Frequent in-class and out-of-class writing practice. Instruction in use of library for research and in various stages of assembling research material. Required of freshmen. Prerequisite: ENG 100 or placement test score. College credit by examination may apply.)
{DANTES Code = 11.07.00}

Introduction to Literature (ENG 112) [EN026B] 3.00

(The reading of fiction, poetry, and drama, both classic and contemporary. Emphasis on genre study, literary terminology, and critical analysis. Includes further practice in use of research materials and preparation of a term paper on a literary topic. Prerequisite: ENG 111.)
{DANTES Code = 11.21.00}

Advanced Literature Electives 3.00

Must be at the 200 level or above. Visit the AU website for a listing for courses and their descriptions.

Fine Arts Electives 6.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)
{DANTES Code = 08.06.00 or most 08.XX.XX series}

History of Western Civilization I (HIST 101) 3.00

A survey of world history from the earliest times to 1715, emphasizing western civilization and the relevance of the past to contemporary life.

History of Western Civilization II (HIST 102) 3.00

A survey of world history from 1715 to the present, emphasizing western civilization and the relevance of the past to contemporary life.

Social Science Electives 3.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)
{DANTES Code = most 20.09.XX or 20.10.XX series or 20.XX.XX series}

Introduction to Old or New Testament Literature (REL 101,102)	3.00
The application of critical methodology to the history, literature, and religion of the ancient Hebrews. Attention is given to the historical context, the development, and the message of the Hebrew faith. This course satisfies 3 hours of the Religion and Philosophy requirement for General Education. OR	
The application of critical methodology to the biblical text to discover the basic meaning and message of the New Testament. Attention is given to the secular and religious history of the period as well as to the life and teachings of Jesus, the letters of Paul, and the origins of the Christian Church. This course satisfies 3 hours of the Religion and Philosophy requirement for General Education.	
Religion/Philosophy Electives	3.00
(College credit by examination may apply. Visit the AU website for a description of courses available.) {DANTES Code = 17.03.00 or 17.13.00}	
Freshman Topics (IDS 101)	2.00
Freshman only.	
Students will use information gained from this course to refine their skills as they make academic and social adjustments to college life. The course is taught by professors from various disciplines and is a requirement of all freshmen entering Averett University.	
Mathematics Electives	3.00
Must be MTH 171 or higher. Visit the AU website for a listing and description of courses.	
Natural Science Elective	8.00
(College credit by examination may apply. Visit the AU website for a description of courses available.) {DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX series}	
Microcomputers & Application Software (CCS 113)	3.00
An introduction to computers and software application packages. Topics include hardware, DOS, windows, an introduction to the Internet, word processors, spreadsheets, databases, and presentations. No previous computer experience required.	
Introduction to Statistics (CCS 203)	3.00
A first course in statistics. Topics include permutations, combinations, distributions, (binomial, normal, Student's t, chi-square, and F), sampling, hypothesis testing, significance levels, confidence intervals, regression and correlation. Does not count toward minor in Computer Science. Prerequisite: MTH 103 or equivalent.	
Principles of Microeconomics (ECO 201)	3.00
Visit the AU website for a description of this course.	

Principles of Macroeconomics (ECO 202)	3.00
Visit the AU website for a description of this course.	
Business Communication (BSA 206)	3.00
This course is designed to improve written and oral communication skills within the context of the business environment. Students will learn to prepare various business letters, reports, and other forms of written communication. Decision-making and problem-solving techniques are emphasized through an introduction to case study methods. Students are introduced to electronic presentation media and encouraged to use other technological means to communicate with the professor and with each other. Prerequisite: CSS 113 or permission of instructor.	
Principles of Accounting I (BSA 221)	3.00
A study of basic accounting theories and procedures for dealing with activities of sole proprietorships, partnerships, and corporations. Continued in BSA222.	
Principles of Accounting II (BSA 222)	3.00
A continuation of BSA 221: A study of basic accounting theories and procedures for dealing with activities of sole proprietorships, partnerships, and corporations.	
Principles of Management (BSA 305)	3.00
An introduction to the art and science of management and managerial functions. The subject of management is approached from a multidimensional viewpoint in relation to the concepts, principles, policies, and practices necessary to accomplish managerial tasks. The theory of management, the application of theory to managerial situations, and the basic classification theory of the principles of management are emphasized. Prerequisite: BSA 206 and 221 and ENG 112.	
Principles of Marketing (BSA 310)	3.00
An introductory course which analyzes marketing as a total concept involving a process of moving a product or service from the originator to the consumer. Prerequisites: BSA 206, 221 and ENG 112. Prerequisite or Corequisite: CSS 113.	
Business Finance (BSA 324)	3.00
A study of the procurement and management of wealth by privately owned profit-seeking enterprises. Topics include: the role of financial management, financial statement analysis, ratio analysis, financial forecasting, budgeting, valuation of securities, assets management, risk, time value of money, leverage, and long and short term financing. Prerequisites: CSS 203 and BSA 206 and 221.	
Business Law (BSA 434)	3.00
A study of the fundamentals of legal applications in the framework of business, laws of contracts, negotiable instruments, property, agency, and bankruptcy.	

Organizational Behavior (BSA 326)	3.00
A study of how people operate in organizations, how the structure of the organization can affect their performance and the key elements to organizational leadership. Case studies illustrating concepts regarding human behavior and development in individual, group and complex organizational settings will be used. Different leadership styles and approaches and their impact on organizational behavior will be studied also. Prerequisites: BSA 206 and 305 and PSY 110 or 120 or SOC 101.	
Human Resources Management (BSA 354)	3.00
A study of employer-employee relationships in business and industry, including personnel policies and methods, selection, placement, training and promotion of employees, and recent trends in employment practices. Prerequisite: Junior standing or permission of department chair.	
Production/Operations Management (BSA 366)	3.00
A study of the methods for planning, scheduling, operating and controlling the production process in both service and manufacturing environments. The behavioral aspects of productivity are considered, but the focus of the course is on productivity as it relates to production and operations management. Topics include productivity measurements, productivity ratios, forecasting, resource planning and allocation, facilities location and design, job design and measurement, production planning and scheduling, quality control and inventory systems. Students will learn to solve problems using operations research models, such as PERT, queuing theory, linear programming applications and transportation cost optimization. Prerequisite: CSS 203 and BSA 305.	
Quantitative Decision Making (BSA 402)	3.00
An analysis of problems, quantification of data, and presentation of results, using the more advanced quantitative techniques for decision making. Included are quantitative model building, linear programming, game theory, and simulation. Prerequisites: CSS 203 and ECO 201.	
Management Strategy (BSA 444)	3.00
A study of the application of business problem solving and decision making across the functional areas of business. Case studies and business simulations are used to explore the sources and varieties of complex problems confronting contemporary businesses. The focus of this course is on the business entity in its various environments. Prerequisites: Common core courses and senior status or permission of instructor.	
International Business (BSA 480)	3.00
An introduction to the global aspects of international business. This course integrates the basic concepts and skills of global finance, marketing, operations, trade, and management in an international environment. Students are expected to consider the impact of environmental issues, including sociological-cultural factors, legal-political factors, economic factors, and the application of various techniques developed to meet these challenges. Prerequisite: CSS 203 and BSA 222. Recommended: BSA 305, BSA 325 and BSA 324.

(College credit by examination may apply. Visit the AU website for a description of courses available.)

Excess Duplicate Credit

TOTAL 123.00 0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the

Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Averett University General Information:

Averett University, located in Danville, Virginia, was first chartered in 1859 under the name of Union Female College; the college was renamed Averett in 1917. In 1969, Averett moved from its initial mission as a Junior College to a four-year co-educational institution offering a baccalaureate degree program. Their first master's degree program was introduced in 1978 with the full approval of the State Council of Higher Education of Virginia. In 1992, Averett became a member of ACBSP (Association of Collegiate Business Schools and Programs).

For over 145 years of continuous operation, Averett's history has been marked by sound principles and practices, success and progress.

At Averett, it's about students and making students' dreams come true. Whether you are graduating from high school or are an adult desiring career advancement, Averett

University offers more than 35 undergraduate programs and three master's degree options to help you fulfill your dreams. A low student-faculty ratio allows the programs to provide quality education. Classes average 15 students.

Averett University studies are founded upon the understanding that learning is a lifelong process, which is not confined to a traditional campus environment. We recognize that the adult learner differs greatly from the "traditional" college student. It has been Averett's experience that the adult brings a wealth of knowledge and experience to the classroom and can be fully expected to share responsibility with the instructor for successful outcomes. This adult curriculum provides valuable educational experiences to working adults whose access to higher education may be otherwise restricted or non-existent.

Averett University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, GA 30033-4097, telephone 404-679-5401, to award associate, baccalaureate, and master's degrees. Averett also has membership in the Association of Collegiate Business Schools and Programs (ACBSP).

Tuition for students is: \$305 per credit hour for independent study courses. After military scholarship \$250 per credit hour. Members of the Virginia National Guard (Army and Air) are eligible for National Guard State Tuition Assistance if attending Averett University.

For more information regarding the Bachelor of Science Sociology: Criminal Justice 2+2 degree, please contact:

POLICY NOTES:

Admissions Requirements

- . Proof of high school graduation or GED of 250 and a 2.0 grade point average on any previous college work (Any GPA below 2.0 on a 4.0 grading scale will be reviewed on a case-by-case basis by an undergraduate review committee.)
- . Transcripts from all regionally accredited institutions attended.
- . A student may be exempt from submitting a high school transcript if he/she has twelve (12) or more transfer credits from a regionally accredited college or university.
- . One letter of recommendation from persons qualified to judge the applicant's professional capabilities, character and capacity to complete undergraduate study.
- . Submission of a resume.
- . Students who enroll in all GPS programs must have access to a computer with word processing, a graphical presentations software, spreadsheet capabilities and email internet connectivity for academic use.
